

On Tap for CASA Fundraising Made Easy!

1. Make a list!

Come up with 10 people to ask to donate to your fundraising efforts. All it takes is for each person to donate \$10, and you will already be at \$100!

2. Tell your story.

Did you come to On Tap for CASA last year? Why are you raising money for CASA? Let people know what this event means to you. A little passion goes a long way!

3. Set a fundraising goal, and beat it!

Make sure everyone knows your goal. This will help you inspire your donors to reach it!

4. Use your online fundraising page

The EverydayHero page is a great tool to fundraise via your network. Share it on your social media, e-mail it to your co-workers, and watch the dollars raise! Send custom thank you notes to donors and share updates all through your portal. You can even add offline donations!

5. Remember your inspiration

While this may be a fun-and-games event, we cannot forget why we are taking the time to fundraise. Too often children are brought into the New Hampshire family court system due to an abuse or neglect finding. CASA volunteers provide a voice for these children, advocating for their best interest needs.

Quick facts to use about CASA of New Hampshire:

Mission: CASA of New Hampshire strives to protect the rights of our state's most vulnerable children to live, learn and grow in the embrace of a loving family. Our trained volunteer advocates speak for the best interests of abused and neglected children who come to the attention of New Hampshire's Family Courts.

In Fiscal Year 2018:

1,411 children had an advocate by their side.

573 CASA volunteer advocates served in NH family courts

867 families benefitted from a CASA volunteer advocate

Since 1989 more than 10,000 children in New Hampshire have benefitted from the caring, compassionate voice of a CASA volunteer advocate.
