President's Message

On behalf of myself and everyone at CASA of New Hampshire, thank you. Your support makes it possible for our dedicated advocates to stand by children who have experienced abuse and neglect. We are grateful to have such a committed, compassionate community of friends and partners who time and time again show up for vulnerable children. Thank you for your generosity and belief in our mission, and for helping us reach more children throughout the state.

Thank you,

A Growing Relationship

CASA of NH is incredibly grateful for the longstanding support we've received from Derry Medical Center, PA. As a sponsor of our annual CASA Cares gala, Derry Medical has helped us elevate our signature event, and has for years contributed to our overall efforts to further our mission.

Today, we are proud to share that their dedication to CASA continues to grow. Malcom Perry, CEO of Derry Medical Center, has joined the CASA of New Hampshire Board of Directors, bringing with him a passion for helping those most in need, and commitment to the health and wellbeing of our communities.

Thank you, Derry Medical Center, and welcome to the Board, Malcom Perry!

Joining the board along with Malcom Perry are Marcia J. Kelly, Brian M. Quirk, Chief Paul J. Smith, and Patti Stolte. You can read about all five new board members [here](#).

As we welcome newcomers to the board, we would also like to thank departing members Terry Heinzmann, Pat Clancey and Evan Lowry. Thank you for service to CASA of New Hampshire, your unwavering support of our mission, and your friendship.

CASA Cares

The entire CASA of NH team extends our heartfelt thanks to all those who made this year's CASA Cares gala a success.

To our attendees – your presence, enthusiasm and generosity lit up the evening. It is inspiring to see so many members of our community come together in support of our state's children.

To our generous sponsors – your support made this event possible, and your commitment to our cause is deeply appreciated.

Together we celebrated, listened to powerful words from advocates, and raised funds to continue our critical work to advocate on behalf of children. Thank you all for standing with us!

We thank Members First for their ongoing support of for helping spread awareness of our critical mission.

NH Gives

Thanks to the incredible generosity of more than 140 donors, we surpassed our goal of \$50,000 during NH Gives Day! Whether you donated, shared our story, or encouraged friends to give, you were a powerful part of this effort and we are deeply grateful.

Make a Lasting Impact

At CASA of NH, our mission is simple but necessary: to provide every child who has experienced abuse or neglect with a dedicated advocate to speak on behalf of their best interest and change the outcome of their story.

Monthly giving makes that possible.

When you become a monthly donor, you're not just making a gift, you are becoming part of a child's journey to safety, stability and hope. Your steady support allows us to train and support more volunteers, reach more children in need, and provide to hope to the most vulnerable.

One of our newest monthly donors said this when asked why they decided to start giving:
"I couldn't stop thinking about how scared these kids must feel in court. I wanted to help in a way that would last longer than just one moment – so I give monthly. It's my way of standing beside them, even if I can't be there in person."

You can do the same.

Join our growing community of monthly givers and help us be there, for every child, every day. CASA of NH Circle of Hope.

Together we can change a child's story.
